## FRONTEND DEVELOPER

## PROFILE

Hello, I'm Berny Alejandro Orozco, a passionate Software and Web Frontend Developer with a keen interest in UX and UI design. I'm currently expanding my skill set by learning various frameworks, aiming to a masters degree and motivated to create intuitive and engaging digital experiences. My expertise extends to illustration and graphical design, which allows me to bring a unique, artistic perspective to my work. I believe in the power of design and technology to solve complex problems and strive to create solutions that are not only functional but also aesthetically pleasing.
